

7BSC BRIDGES RIDE 2026

This is the 15th outing for North Florida bridges (like elevators, we skip the 13th floor!). We do not recommend bikes under 200cc be used due to longer/faster stretches and we will not have a group for small bikes or a chase vehicle. All rides must be RSVP'd. As always, there is no cost for the event

other than personal expenses such as food, lodging, and gas.
