

7BSC BRIDGES RIDE WEEKEND 2025

This is the 14th outing for North Florida bridges (like elevators, we skip the 13th floor!). The Bridges Ride this year will be longer, involving more bridges, and will be spread over two days. We do not

recommend bikes under 200cc be used due to longer/faster stretches and we will not have a group for small bikes or a chase vehicle. All rides must be RSVP'd. As always, there is no cost for the event other than personal expenses such as food, lodging, and gas. The times below are tentative and may change.

For out-of-town folks, there is no “rally” hotel. You may want to book your room nearest to where you want to be when the weekend begins or ends. On Saturday, we start at the beaches while on Sunday, we end up in Orange Park, south of Jacksonville. Jacksonville is a BIG place.
